

The background features a dark, moody photograph of several custom baseball caps. In the foreground, a grey cap with red and blue embroidery is prominent. The embroidery includes a hand holding a tool, the word 'TAQUERIA', and a bulldog's head on the side. Another cap with red and white stripes is visible in the background.

The Workshop

✂️ PREMIUM HEADWEAR

 CUSTOMS

HATS ARE BACK

A recent surge in popularity has experts estimating that headwear will be a billion dollar industry by 2030. What separates hats from other garments is the ability to attract multiple demographics — from teens to adults, men and women alike — snapbacks remain one of the most popular wearables amongst consumers.

To accomodate this trend, **LTD CUSTOMS** has spent the past year elevating our headwear options to bring you **THE WORKSHOP** — a premium offering that takes custom hats to the next level. This service unlocks unlimited possibilities, turning your vision into reality.

With unique styles and an assortment of decoration techniques, **THE WORKSHOP** is where creativity and craftsmanship come together. Whether it's for your business, brand, special event, or any other need — we specialize in delivering premium, uniquely designed hats, tailored just for you. Your ideas, your style.

IMPORTANT INFO

Minimum of 100 hats per style / colour variant, expect a 4-6 week turnaround time from start of production. Customizations will affect price, inquire for a quote.

NOW WE'RE TALKING

Below we've provided some terminology to ensure we are on the same page throughout the design process.

STEP 1: SELECT YOUR CAP STYLE

Every style has its place. Whether your needs lean towards utility or trendiness, our styles will check both boxes. Please inquire about 6-panel, flatbrim, and other cap styles not shown below.

 **MOST POPULAR**

5-PANEL SNAPBACK

A trendy hat with a structured front, curved brim and an adjustable snap closure for a crisp, versatile fit.

TRUCKER SNAPBACK

A breathable mesh-back cap with a structured front and snap closure, blending comfort and classic style.

UNSTRUCTURED SNAPBACK

A soft, low-profile cap with a relaxed fit and snapback closure for a laid-back look that maximizes comfort.

NIAGARA
ICE DOGS

STEP 2: SELECT YOUR MATERIALS

If you want your brim and crown to be separate materials, or the front different from the sides and back, go for it.
Please inquire about materials not shown below.

MOST POPULAR

COTTON TWILL

A durable, diagonally woven cotton fabric with a soft, structured feel.

WASHED CANVAS

Heavier cotton with a pre-washed finish for a rugged, broken in look.

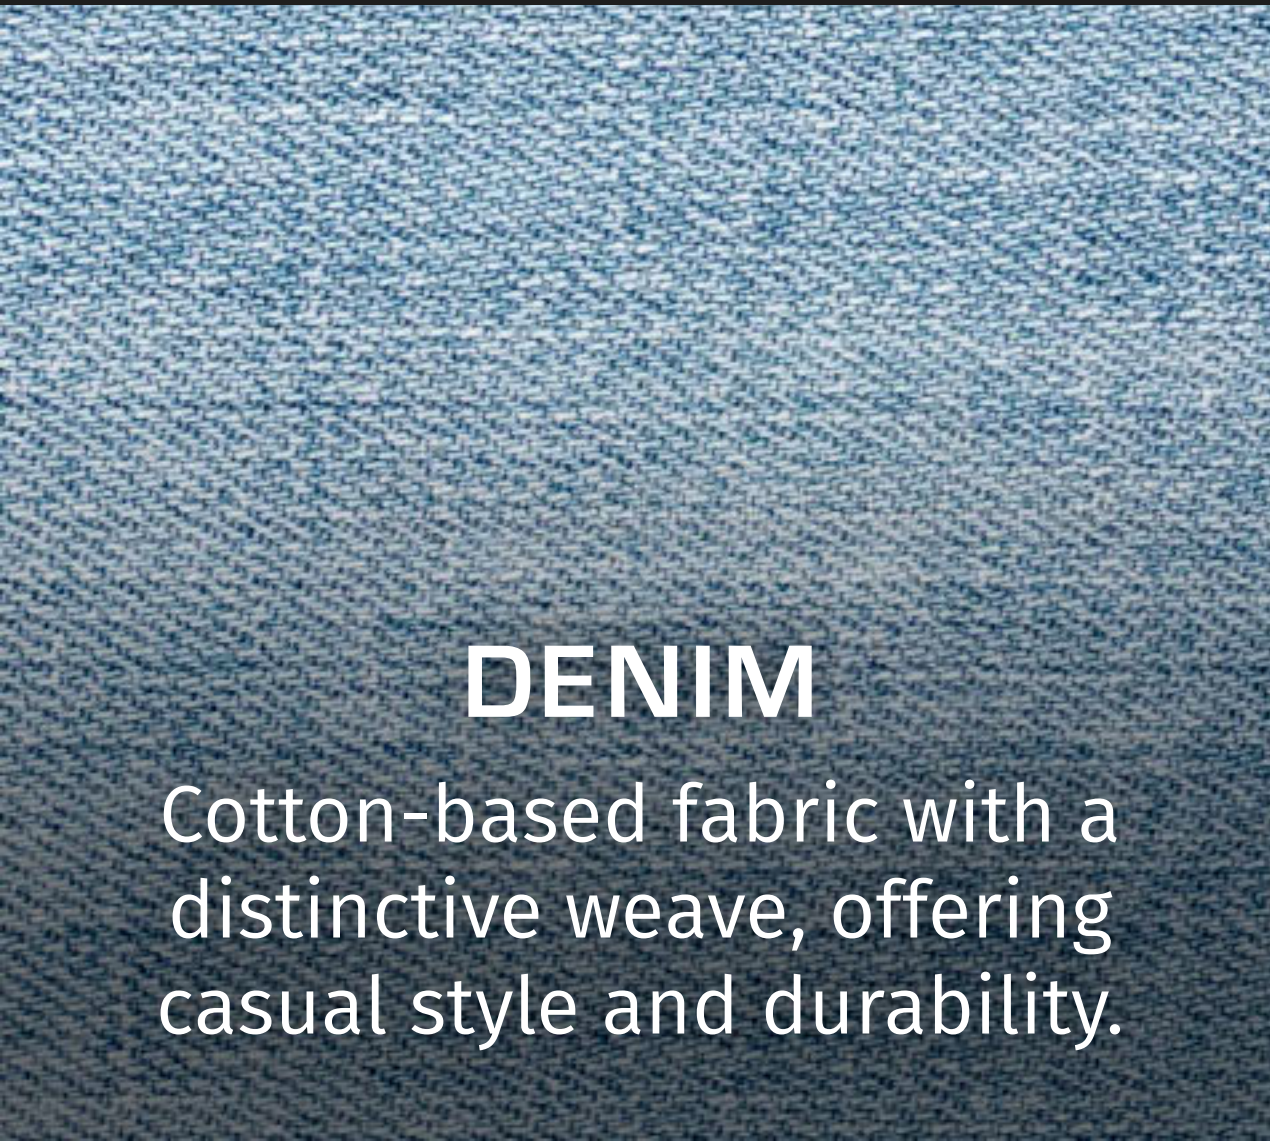

ATHLETIC NYLON

Lightweight, water-resistant fabric designed for performance and breathability.

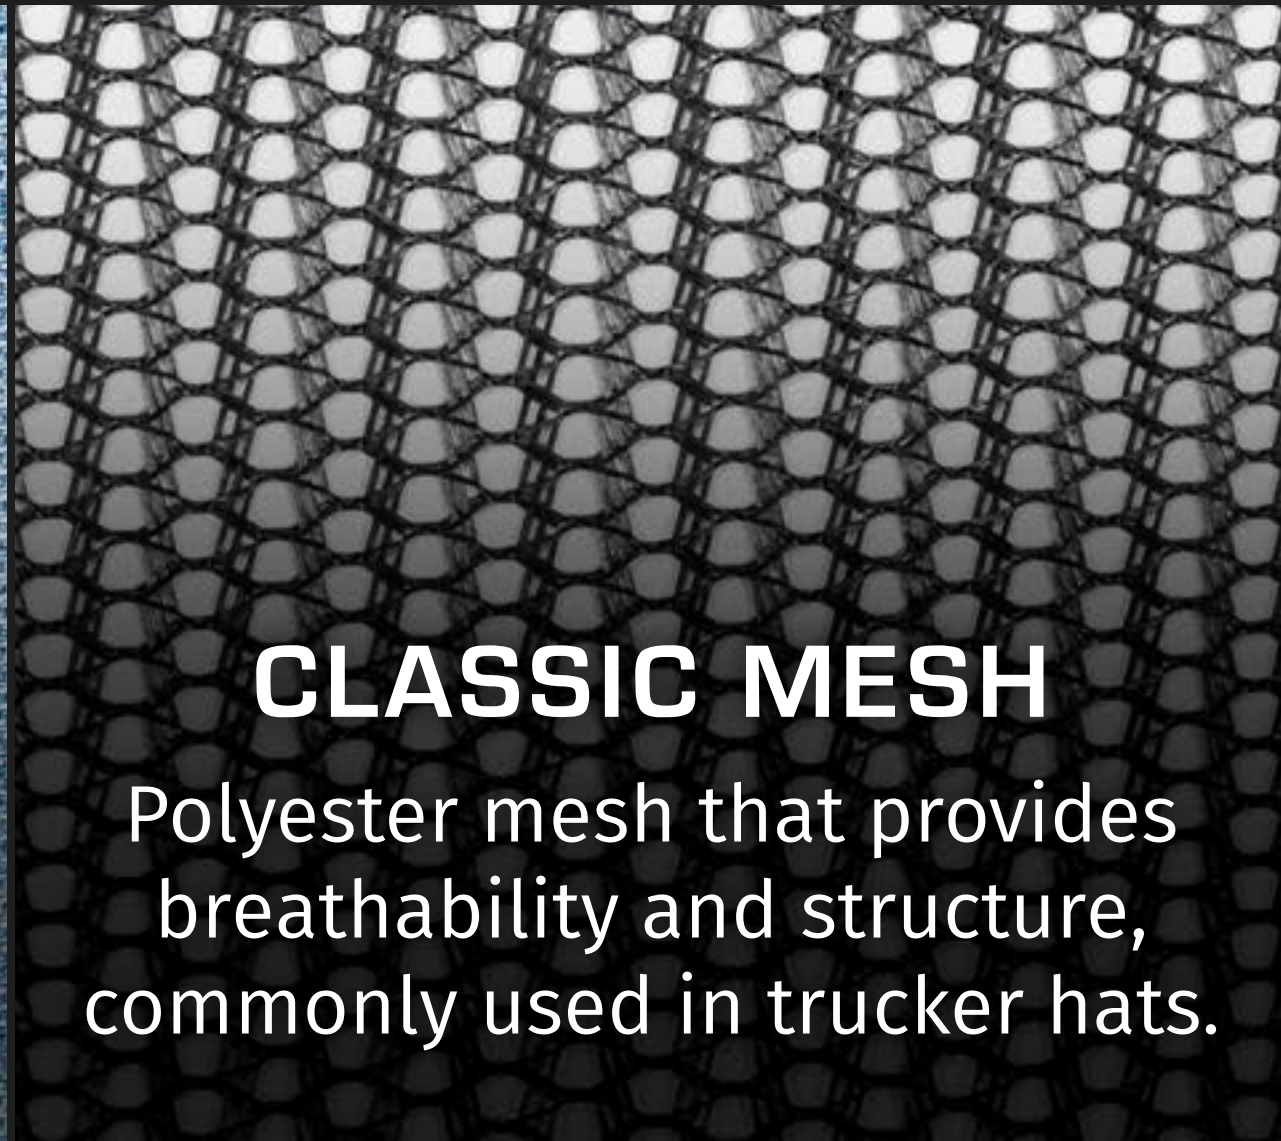

SUEDE

A soft, textured material with a luxurious nap, offering a premium and tactile finish.

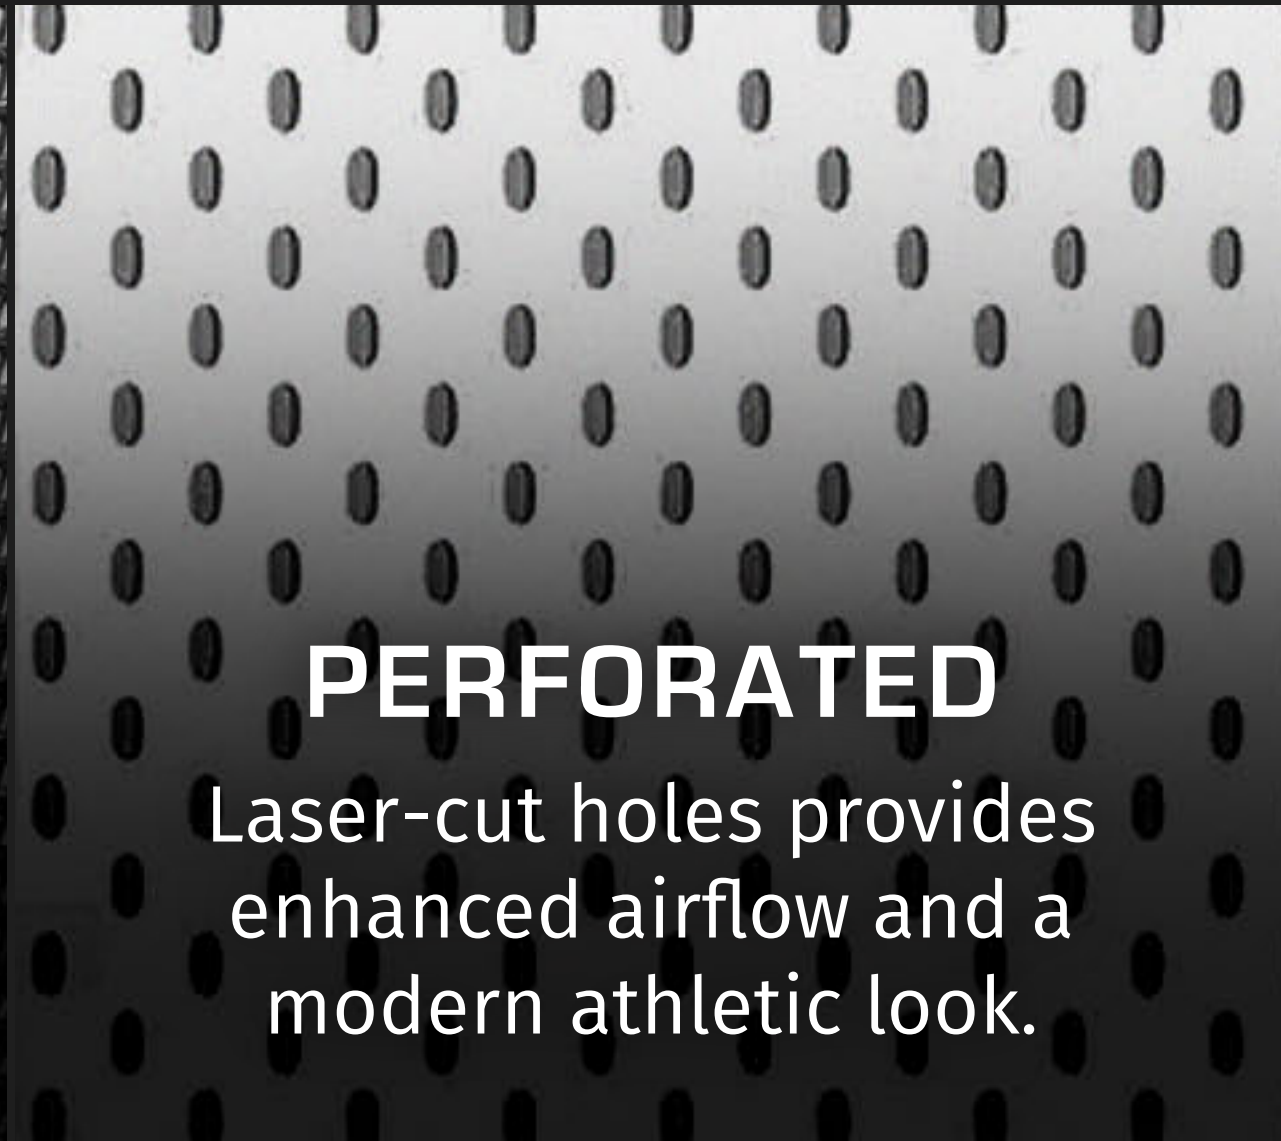

DENIM

Cotton-based fabric with a distinctive weave, offering casual style and durability.

CLASSIC MESH

Polyester mesh that provides breathability and structure, commonly used in trucker hats.

PERFORATED

Laser-cut holes provides enhanced airflow and a modern athletic look.

CORD

A soft fabric with raised wales, offering a vintage-inspired texture and casual warmth.

STEP 3: SELECT YOUR COLOURS

Whether it's a single colour hat or a two-tone contrasting visor and crown, our selection has you covered.
For mesh, we colour-match. Perforated can be laser-cut into most fabric, but looks best with athletic.

STEP 4: SELECT YOUR DECORATIONS

Your custom hat can feature decoration in any combination of placements, allowing for a fully personalized design. Mixing multiple locations adds depth, balance, and visual interest to your headwear.

FRONT

The primary branding zone, perfect for bold, eye-catching logos and designs.

SIDE

A subtle placement that accentuates the front design and adds extra visual interest.

CLOSURE

Positioned near the back clasp or over the opening for a unique branding touch.

BRIM

An underutilized space that leaves an elevated impression, providing creative flexibility.

STEP 5: APPLICATIONS, ADD-ONS & UPGRADES

We offer a wide range of decoration styles. Each element adds texture, character, and uniqueness to your hat. Combine styles to create a custom piece that reflects your brand or personal style from every angle.

EMBROIDERY

Stitched detailing that can be flat or raised, offering bold, lasting branding with texture.

CHENILLE

A plush, fuzzy applique that adds a retro, varsity-style look and tactile appeal.

RUBBER

Flexible molded detailing for clean, modern logos with a dimensional finish.

PATCH

A fabric patch finished with or without a merrowed edge. Stitched or fully sublimated.

BRIM ROPE

A decorative cord that adds character. Go with a smooth finish or a coarse braid.

INSIDE TAPE

Customizable interior seam tape featuring a repeating design for added polish.

CLASP FLAG

A small woven label placed at the back closure, perfect for subtle logo or brand identity.

METAL BRIM CLIP

A sleek metallic accent attached to the brim for a modern, elevated touch.

LET'S GET TO WORK

Thanks for taking the time to explore **THE WORKSHOP**. Whether you're designing for a brand, team, event, or personal project, our goal is to deliver quality hats that reflect your unique style. We're here to make the creative process smooth and tailored to your needs.

When you're ready, we'd love to hear from you. Share your preferred styles, materials, and design details, or reach out with questions, and we'll walk you through next steps, including pricing and sampling. Every hat we produce is built with intention and care, and we can't wait to help you create something truly custom.
